# JOB FAIR

**Are you looking for great talent? Participate in the Job Fair!**

Hiring companies, educational institutions, not-for-profit organizations have the opportunity to showcase their employer brand and pitch to a crowd of skilled candidates on why they're the best choice around.

The Job Fair is an excellent venue to:

- Meet the BCI Community top talent
- Pitch your organization to prospects
- Put your culture on full display

Job Fair participants will have a booth space in the Job Fair area of Gather Town. There will be one dedicated Job Fair session and we strongly suggest that you staff your "booth" during that time to maximize engagement with attendees. You will be able to post one PDF document, accessible at all time during the day. The document can present specific job offers, general information on the organization, contact information, etc.

**Job Fair Booth: \$100 (not-for-profit organization, labs, educational institutions: Free)**

Got a creative idea? Contact us and let's talk about it. We are dedicated to helping you get the most out of your partnership whether through our existing offerings or custom-made creative solutions.
